Support from pharmaceutical partners helps make this event possible. As such, it is important that we comply with the various codes and directives relating to the manufacturing, distribution, and marketing of pharmaceutical products. The Human Medicine Regulations 2012, (clauses 294-300) and the European Union directive (2001/83/EC, article 86) provide guidelines relating to medicinal products for human use. Within these guidelines is the restriction that access to pharmaceutical product marketing activities must be limited to only those participants licensed / authorized to prescribe or supply medicinal products.

All participants, with the exception of the exhibitors, are

asked the following question during registration: Are you licensed / authorized to prescribe or supply prescription only medicines? Download the mobile app to enhance your IAP 2024 experience and access all the information you need!

- Scan the QR code below or search for “**Kenes Congresses**” on the App Store (compatible with version 13.0 and later on iOS) or Google Play Store (compatible with version 8.0 and later on Android).
- After installing the app, insert the event code: **IAP2024**
- Login with your email address and registration ID number

Printed Posters will be displayed in the Poster area during the Congress hours during breaks.
